JORDAN ROSE

PROFESSIONAL EXPERIENCE

Video Editor

Studio X, San Francisco, Ca / Aug 2018 - Present

- Cut together over 1000 animated shots to make each cut as fluid and seamless as possible.
- Review assembled film with directors and producers in dailies to determine what corrections, if any, are necessary.
- Ensure the quality of the animations, sounds and overall picture are meeting the film's guidelines.
- Collaborate with sound editors to create music and sound effects required for the film.

Freelance Video and Sound Editor

Visual Effects Society, Sherman Oaks, Ca / March 2022 - Sept 2023

- Organized and edited together raw video footage into short-form documentaries according to the project's specifications.
- Conferred with the supervising editor concerning approaches needed to increase the entertainment value of the production.
- Handled multiple projects simultaneously.
- Added required music, sound effects, b-roll and other elements to enhance the film.
- Ensured the final product met quality standards and was delivered in a timely manner.

Freelance Video and Sound Editor

Marauder Film, San Francisco, Ca / March 2019 - July 2021

- Managed and assembled digital assets to craft a cohesive narrative for a short VFX film.
- Worked with visual effects artists and animators to incorporate VFX shots and other visual elements into the film.
- Organized and maintained assets within a pre-existing storage/archive infrastructure, mainly Shotgrid.
- Stayed up to date with new video editing techniques and technologies to continuously improve skills and knowledge.
